The 1968-69 school year was expected to be a time of trial with temporary and widely scattered structures providing little of the aesthetic beauty needed to mold an integrated campus. However, the future promises a not too far distant day when the Panthers will have a new home that will turn the step-children of today into the envy of the educational community.

As the ground work for new administration, classroom, shop and gymnasium buildings gets under way it becomes possible to dream more accurately of the Santa Clara High of the future and secretly regret the good fortune of the underclassmen who will one day bask in the glory of the Santa Clara High of tomorrow.

The main entrance of the new Men's Gymnasium will provide a gateway to the home contests of Panther athletic teams of the future.

A Look Into The Future Brings Great Expectations For Santa Clara High

Picturesque courtyard will add touch of beauty to the planned buildings for Science and Home Economics.

PANTHER MUSIC MAESTRO PROVES DEDICATED LEADER

It is with great pride and appreciation that the 1969 Tocsin is dedicated to a truly dynamic teacher, Mr. Duane Garton. Mr. Garton, who is best known as the SCH music department, has been on the teaching staff for 13 years.

In these years he has directed and produced a number of musicals and variety shows. He has made it his business to see that football halftime shows are filled with really enjoyable entertainment.

In addition, he plays a major role in keeping school life interesting and entertaining for all with a wide variety of musical groups, ranging from the choir to the pep band.

A music director's work is never finished.

Mr. Garton directs dance band at Mission Mall Fiesta Days celebration as one of his many extra services to the community.

George Haines Honored

Panther Swimmers Bring National Glory To Campus

George Haines, teacher and swim coach at Santa Clara High School for more than sixteen years, was named the "Champion of Champions" at the third annual Santa Clara Valley Banquet of Champions, held in San Jose the first week of February, 1969.

Prior to that, at a banquet honoring the Santa Clara Swim Club and its Olympic swimmers early in December, Haines was honored as "the Best in the World".

Santa Clara High School alumni and student swimmers, including such nationally recognized greats as Claudia Kolb, Pokey Watson, Mark Spitz, Mitch Ivey and Brian Job, still a senior, almost won the Olympic Men's and Women's Swim Titles for the United States on their own.

Photos taken at Chamber of Commerce dinner honoring Haines and the Olympic swimmers show Haines receiving a set of golf clubs from C of C president Warren Riordan as the main speaker of the evening, Wheaties' great Rev. Bob Richards, works on his notes. Haines holds an armful of plaques he was given while the table of Olympic swimmers, dotted with SCH'ers, is below. To the right, Claudia Kolk lauds Haines from the "mike" and the Coach of the World forgets his glory to bawl out a swimmer and to award senior water poloist Phil Vogt, the outstanding player award at the fall sports banquet.

My dear Karl:
From my firsthand experience
with your most "sharp & witty"
mind and tongue, I would say
that your potential is really
great but you need more
"control". Moderation is the
virtue of virtues ???
Honestly, I really do think you
have a great many "redemptable"
qualities. Sometimes they're
hard to see but I know
them.

Seniors Leap Fo

Some Reach High While Still At SCH

Most seniors look forward to graduation and making a name for themselves with a successful career in competitive society. Some are content to let the future take care of itself. A few, however, are already successful on a campus, city, state or national scale.

Perhaps that best known Panther senior is swim star Brian Job who was a second place finisher in the Olympics at Mexico City last fall.

Other Panthers already leaping up the glory road are Miss Santa Clara, Vicki Briganti, and track star Harry Freeman, fourth in the nation as a junior in the Triple Jump. Student body president Mike Asch kept the frosh spellbound last fall while senior center Doug Clayton proved a success in leaping for the ball, if not the moon, during the cage season.

The Steps Toward

Mighty freshman? Not really. . . . only to the Wilsonettes. We were in high school at last and were brusting with pride. It certainly was a thrill. Every freshman must pay the consequences, and our little voices were heard all over the campus: "Where is room 5?" "How long do we have for lunch?" "Can we really leave the campus?"

The Freshman Reception was a nervous night for us all. Our first high school dance. . . . wow! As we entered the door, we were given baby-bottle shaped name-tags, so the older students could tell who the baby freshman were. As if they couldn't tell by the curious expressions on our faces. We left the dance with much pride thanks to Francine Moos; she had won the dance contest. Our first victory?

Football season came and so did our cries of: "We began to feel like a part of the school. With every new sports season our spirit grew.

'66 was a very good year. We had experienced so much. To top off the year, we attended our first Nomination Convention. "What's it all about?" None of us really knew, but we soon found out. Finally came our first Tocsins. The Tocsin Dance was great and so was the last day of school. We had learned many things our first year, but we could not figure out how to cut a class and get away with it.

Come September and we were back. . . . this time showing the freshman around. We were more acquainted with the teachers, and we could even joke around with a few of them. We were smart enough to change our bad classes at the beginning of the year, instead of suffering through a whole semester with a disagreeable subject. Everything was going great until the latest rumor came true. Our beautiful school was to be torn down. Our student body was transferred to Buchser's campus. The split session went over pretty good, considering Buchser was our biggest rival. During Buchser week, we were all warned not to tear down any of Buchser's decorations in the halls, but never the less, they came down. Buchser's pride came falling down when we beat them in the big game.

66-67 Class Officers:

President - Don Peterson, Vice President - Chris Johnson, Sec.-Treas. - Vickie Bacon

On our return to our campus, we were greeted with portables and promises of a beautiful new school within a year. It got pretty hectic between classes. The attendance office hit an all time high with tardy slips.

We had a carnival that was just great. Between John D'Ambrosio's pizza stand and D.J. Pifferetti's flower stand, our class ran the carnival.

Soon again it was exam time only to followed by a wonderful summer. We left happily knowing we were to return as upper classmen.

65-66 Class Officers:

President - Mike Asch, Vice President - Don Peterson, Sec.-Treas. - Chris Johnson

Graduation

67-68 Class Officers:

President - Jim Pruitt, Vice President - Tony Rumore,
Sec.-Treas. - Barb Peterson

When returning to school there was a sigh of disappointment. We all expected some new construction of our school, but all we got was a hole in the ground. This did not stop us from having our "good old S.C. high" spirit. We knew we had to stick together, and we did.

Being an upper classman was a new experience and we loved it. Taking a more serious attitude about high school, we realized we had better start saving for our Jr. Prom. We had a car wash, which was a success. Then the date was set, March 23, and a name was given, The Splendor Of Athens. Our Jr. Prom was beautiful. Our chosen king was Mike Barcells, and our Queen was lovely, Vicki Briganti.

Being 16 or over, we all had are drivers license. Some of us even had our own cars. It was a wonderful feeling to drive your own car to school.

We were getting wiser in all ways. Many of us tried to cut school occasionally, and many of us got caught. We still didn't know how to play hooky, but we did know how to talk our English teacher into prolonging a test. Before we knew it the seniors were practicing their graduation exercises, and we were signing year-books.

68-69 Class Representatives:

President - Jim Karas, Steve Doyle, Bill Harris, Tony Rumore, David Yniguez

Are we really seniors? upper-upper? the superior class? It was glorious to become a senior. We all knew this was going to be our most hectic year. I suppose we all built up a better relationship with Mr. Kulesa. His advice was very valuable to us.

Senior superlatives were passed out and voted on. Directly after that came senior picture time. Many did not recieve their pictures until March. Then came time to order graduation announcements.

When Christmas vacation came around we all gleemed with joy knowing the senior snow trip was coming soon. Well, the snow trip was an absolute success. Our only wish was to have all our class gatherings become such a success.

Between studying and college exams, we felt our social life growing. Soon came the Senior Social. . . . playing pool, dancing, and just fooling around. After the social many of us split to PANTHER beach. It was great!!

The Senior picnic was welcomed by everyone. A whole day of loafing. Two weeks before graduation came our Senior Ball. It came off with a bang even though in the back of our minds we knew we still had examines and many other events to experience before June 13th. It all went by so fast. June 13th was here before we knew it. We had our diplomas and a hanky full of tears. All that was left was words in our hearts that we could not express.

As you have probably experienced, there is a wise guy in every crowd. Well, this is the class of 69's wise guy. He thinks this picture is adorable and insists that it be put in the Tocsin.

WHO IS THE "MYSTERY GRAD?"

Do you know who he is?!

What is his name?

Ndalod Estepnor

The Class Project?

MOST OUT

Chris Johnson is just one of those girls you cannot forget. She definitely is most outstanding in every way. When entering Santa Clara High, she was elected Freshman Class Sec.-Treas., which later led her to become Sophomore Class Vice President. In her senior year Chris became Head Cheerleader. She has participated in various clubs all four years at S.C. High such as; Panther Debs, Rally Club, Student Council, G.A.A. Swimming, Water Ballet, and Choir.

The highlight of Chris' senior year occurred when Chris received the title of Homecoming Queen. Her vivacious personality, school spirit, and appearance, prove her most deserving of this title.

Chris' interests are based on football and skiing. She feels they are both wonderful sports. Another interest of Chris' is Chico State, where she plans to continue her education.

STANDING

Mike Asch, The A.S.B. President, was chosen "Most Outstanding Boy of 69". He has always participated in student government. Mike lead the class in '65', as Freshman Class President. Later in his Junior year, Mike was elected C.A.S.C. Representative.

Mike's interests are student government, water polo, philosophy, psychology, art, and of course, swimming. Mike has been one of Santa Clara High's most active water polo players.

As a leader, Mike is one of the best. Being Student Body President is a big job, and he handles it with ease and efficiency.

In the near future, Mike is planning to attend UCLA or University of California at Berkeley.

You're O.K. Seniors

Some dance (?)

Tom, where are you?

It's O.K. with me!

Smiles rippling with joy.

Board Steers Educational Ship Onward Through Troubled Seas

The 1968-69 school year started off with plenty of extra-curricular activity, particularly as the tide of racial unrest ebbed into the normally placid Santa Clara community. Civic interest in the schools also blossomed forth in a tax increase drive to aid the district's financial plight. Through all its added problems, however, the board and administrative staff appeared to be carrying the banner of better education onward with flying colors.

Santa Clara High School principal Phillip Dougherty appears a bit happier while congratulating his world famous faculty member, swim coach George Haines, upon his return from masterminding the record setting Olympic victories of the American swimming team in Mexico City last October, than when finally stumbling in out of the rain after a day beset with leaking roofs, clogged sewers, trying teachers and soaked students.

Panthers Play Important Role

Senior Vicki Briganti Crowned Miss Santa Clara At Pageant

Santa Clara High School's band and Pantherettes were among more than two hundred entries in the YMI's Twenty-Second annual Parade of Champions in early October.

Moreover, a Santa Clara senior coed and song girl, Vicki Briganti, was selected as Miss Santa Clara and reigned over the parade and the week long Fiesta Days activities.

During the Beauty Pageant to select the Queen, the Santa Clara High Dance Band under the direction of Mr. Duane Garton provided the music.

In addition the Block SC Society set up bleachers for spectators at the parade and netted several hundred dollars for the second straight year.

The Panther band is shown marching past the judges' stand on Monroe Street (top) while Miss Briganti is escorted to the stage during the queen contest by a U. S. Marine and later reigns as Miss Santa Clara from her throne on the stage in the Mission Center Mall.

Pam, Rita and Vickie are all Song Girls while Jan is A.S.B. Elections Clerk.

Chris Crowned Homecoming Queen For '68

Chris Johnson was crowned the 1968 Homecoming Queen at the annual "Big Game" with Buchser High on the Buck Shaw Stadium turf. She is head Varsity Cheer Leader and has been active for four years in both class and campus activities. Chris was secretary of her freshman class, vice-president of her sophomore class and head J.V. cheer leader as a junior. She was in Sweden during the past summer as part of the Youth for Understanding program.

Pam Albanese (left), first runner-up, and Rita Donovan, second runner-up, are shown as they were escorted across the gridiron at the Homecoming Game just prior to the announcement of the Queen.

‘A Christmas Memory’ Tops Fall Activities

By far the most successful social event of the fall semester was the annual Christmas Ball, “A Christmas Memory”. The enthusiastically received Royal Family provided the dance music and kept most couples almost continually on the floor.

The Royal Family blares forth its catching rhythm (ABOVE) while Olga Sepulveda enjoys a rest with her date (BELOW).

SCH Dancers Enjoy Gala Christmas Ball

Amorous dancing, animated conversation, and colorful decorations vied for top attention at the highly successful Christmas Ball. The Panther social set glittered in their finest attire.

While the student couples swayed to the groovy tunes or stepped a bit more lively to the faster numbers, the hard-working faculty sponsors caught up on their cat-naps.

Annual Christmas Musical Program

A delightful two hours were enjoyed by several hundred parents, students and friends at the annual Santa Clara High Christmas musical program directed by Mr. Duane Garton. The setting was further enhanced by having snowflakes tumble from the ceiling of the stage in the cafetorium as clarinets played popular holiday tunes.

Refreshments of cookies and punch or coffee were served the audience following the program. Gary Rankin appears to enjoy the cookies as Sue Chaix watches. Choir member Alice Napp was one of many who served the guests.

Delights Packed Auditorium

The Men's Glee Club and the Orchestra were among the student musical groups to perform. Bonnie Ratcliff and Barbara Butera added the sweet, melodious notes of the violin to the orchestra's performance.

Spring Music Concert Prove

The tradition of successful musical programs at Santa Clara High was carried out at the annual Spring Musicale in March. Mr. Duane Garton conducted both the orchestra and a variety of singing groups to a packed house in the cafetorium.

"Laugh In" Is Always Playing

Whether It's A Pie In The Face, A Tricycle Race Or A Costume Dance There Is Always A Cause For Laughter As Panthers Prowl Their Campus.

Holly Edwards laughs happily because she has just been chosen Queen of the annual G.A.A. Hick Dance. Ken Peterson and Larry Price wipe the remains of a pie eating contest off their clothes and faces while Chris Riggs and Tim Ramsell and others make a start in the tricycle race. Mike Getta gets a going-over from the freshman girls. D. J. Pifferetti is happy just to be on a bike. Naughty Alice Hagopian gets a laugh out of Chris Carusa while Mr. Bob Heinsohn proves that even a teacher can laugh- sometimes.

At S.C. High

Some Make The News While Others Read About It.

Olga Sepulveda, SCH senior, was crowned Miss GI Forum, San Jose Chapter Queen, by the 1968 Queen, another Panther coed, Rosie Santa Cruz. Also making local news in 1969 was Mayor Gary Gillmor who is being congratulated by SCH principal Phil Dougherty on his April election. Reading about these events and the comics are Mr. Michael Ord- ing (above) and freshman Brian Mc- Kinley.

Campus Gets 'STRIVE' Program

Something new was added to the SCH curriculum during the past school year with the introduction of a number of special classes tied with the Federal government's Project STRIVE. Jack Egnor (top) prepares wire while Jose Vargas (left) is sleeving wire with heat gun and Mike DeMello solders a hook terminal.

Sport

Dominated Panther Activities

From the day that the Panther varsity football team first stormed onto the field for photographers until the spring sports banquet, sports activities played an important role in the daily social life of many SCH students. Soccer coach Kent Marshall shows off his trophies. Senior Harry Freeman presents cage coach Dean Giles a team gift at award banquet. Gene Kastner plays his part in making grid season a success. Frosh cagers work out on leg conditioning. Senior end Jeff Nelson receives Most Valuable Player award from grid Coach Mick Ording.

G.A.A. Brings Competitive

In the Santa Clara tradition, the largest of the G.A.A. squads is that for swimming, a sport the Panther girls dominate at almost the same extent as their male

counterparts on the nationally famous varsity swim team.

Athletics To The Coeds

Future and present G.A.A. members get their daily workouts through the varied sports presented in P.E. classes. The daily walk through the streets of the campus in gym clothes will become a thing of the past once the new campus buildings are completed.

The G.A.A. Fencing team included Sharon Gentile, Ester Domondon, Evelyn Garcia, Arlene Frank, Pat Butler, Jennie Enos, Elena Duclayan, Amy Cardoza.

The G.A.A. Gymnastics team was built around Melody Foy, Roxanne Bell, Pat Worley, Janet Starnes, Gwen Gomez, Arlene Hancock and Kathy Marshall.

G.A.A. Bowling

Sunday Cano and Cathy Souza add up the spares and strikes as the G.A.A. Bowling players go at it on the Moonlite Lanes on a Friday afternoon. Chris Riggs (right) winds up to send the ball spinning down the lane for another strike. Chris was one of a half hundred girls who bowled each week in the G.A.A. league.

G.A.A. Volleyball

The volleyball takes many a merry ride as the G.A.A. Volleyball team works out for its spring games against the girls from other schools in the area.
